Message from the East

Brethren,

First and foremost, I would like to congratulate Brothers Aaron Arnold and Alex Ribeiro for being raised to the sublime degree of Master Mason last month.

We will be attending the 164th Annual Communications of Grand Lodge of California in San Francisco on the first weekend of this month. Along with other officers from our district. A number of resolutions and new legislation will be presented and we, as representatives of our Lodge, will be casting our votes. The results can be found the following week on the Grand Lodge website, www.Freemason.org.

We are almost at the end of the 2014 Masonic year and I encourage all advancing officers to start reviewing for their proficiencies, and be proficient by December. If you need assistance, please inform our Officer's Coach, Ethan Meyer PM, and he will be more than glad to assist you. We only have three months left so make your appointments with our Inspector Herschel Amos PM.

During our stated meeting this month, there are a number of things that will be discussed and I encourage all Masons to attend. We will go over the officer's line, nominations and elections, and come up with the date for our Officer's Installation. It will help a lot if we can hear your input.

And finally, October 14th, will mark 142 years of Masonary in Monterey when Monterey Lodge #217 its Charter.

Fraternally,
Frank S. Cruz, Jr.
Worshipful Master

Message from the West

Brethren,

When I think of my time in Masonry I have to reflect on changes that have occurred over the past 10 years in particular. Like everything in life there is old school and new school. In most instances the old school was abandoned because there was a better idea or product. Most often the new version is

to save time; but that comes with a cost.

If we were to look at the old school of razors we would see straight razors as a common item. As time has passed the price of the replacement for them (safety razors) has steadily gone up. Soon they will be so over priced that men will start to return to the old school in greater numbers. I can teach you how to use straight razors when you are tired of spending too much for getting less. One old school razor, properly taken care of, lasts more than one generation.

The same applies to our Masonic work. Our Grand Lodge has made it easier to be a proficient Mason in the 1st and second degree which makes it harder to be proficient in the 3rd degree work. Reason being, that proficiency must be done in standard form; there is no short form. Now if I really wanted to go old school on you I would relate to you how I had to learn our work.

There were no ciphers to be used. Our traditional proficiencies were learned from the coach by word of mouth. I met with my coach 3 days per week; lodge not included. In these meetings we would go through the questions and answers verbatim until I had reached the end of the work and then we would practice the entire piece for a while before the coach would inform the master that I was ready. We did use ciphers for learning lectures. Interestingly, even those lectures used to be passed down by word of mouth to the wardens and masters of lodges. Our monitors used to contain more as well. I do my degree information nights based on those old school monitor passages. I do teach old school if anyone is interested.

The cost of easy has been a severe lack of Masonic education; and the dedication that went with that education. Let's bring Masonry back to a point where it lasts more than one generation.

Fraternally.

Martin Maxey, PM
Senior Warden

Congratulations to Bro. Arnold and Bro. Alex on being raised to the sublime degree of Master Mason!

Message from the South

Brethren,
I would like to extend my congratulations to Bro Aaron Arnold and Bro Alex Ribeiro for being raised in the degree of Master Mason last month.

Last month's beach clean-up was another success. For the month of October, the Lodge has decided to utilize the second Saturday of this month to clean our Lodge instead. It will be on October 12, at the Lodge between 10am to noon. We will concentrate in cleaning our Lodge's grounds and possibly power wash some walls. So please come and help and bring your favorite cleaning tools. We will provide light refreshments afterward.

I would also like to thank Bro Aaron Arnold for hosting last month's social dinner. The food was great and delicious. For this month's dinner, Bro Jason Kakimoto will be hosting. Please see menu in the following page. And also, please (with sugar on top) RSVP with our Bro Secretary Jason Kakimoto by calling [\(831\)375-6662](tel:8313756662) or e-mailing him at secretary@monterelodge217.org. It is very important we get a head count of who will be attending.

Last but not the least, we will have a first degree conferral for Mr. Steven Ruggiero on October 7th at 7:30pm in our Lodge. All Masons are invited.

Have a wonderful month of October!!!

Fraternally,

Virgil Quina Jr., PM
Junior Warden

Inspector's Message

Brethren,

There will be a School of Instruction at Monterey Lodge No. 217 on October 21, 2013 at 7:30PM. We will go over any changes in the ritual and legislation that were approved at the 164th Grand Lodge Communication.

Advancing Officer should be prepared to meet the requirements of their respective stations/positions in the line. We will need to set dates for the upcoming installations. I am available to each and every one of you and look forward to a great year working together.

I find the dedication and participation of the Master's and Secretaries in this district to be very inspiring and this speaks well for our fraternity.

Fraternally,
